

The AECOM logo is positioned in the top right corner of the image. It consists of the word "AECOM" in a bold, white, sans-serif font. The background of the entire slide is a photograph of the Oculus transit hub in New York City, showing its distinctive white, ribbed structure and the people walking through the interior.

Built to deliver a better world

Build NYC - AECOM MWDBE/SDVOB Philosophy

AECOM is committed to a robust and active MWDBE/SDVOB Program where we team with best-in-class firms in order to complement our service offerings and to support our clients' missions.

- Our goal is to consistently expand the number of MWDBE/SDVOB firms qualified to work with AECOM as subcontractors, subconsultants and suppliers
- Larger pool of qualified MWDBE/SDVOB subs creates competitive pricing for commodities and services
- Diversity in our projects creates a platform where new perspectives and ideas can be generated
- Investing and creating opportunities in the communities we serve can be a strategic advantage

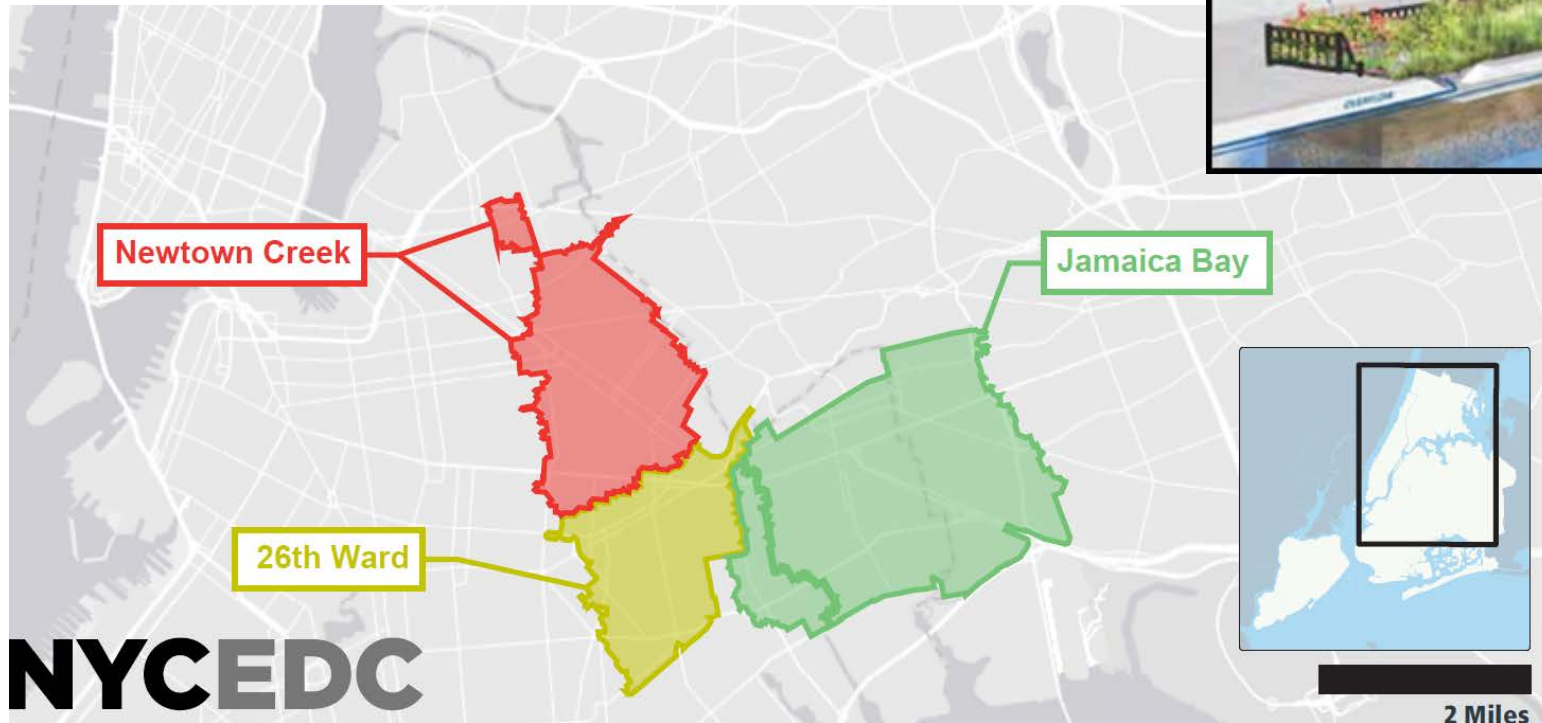

- Sunset Park Infrastructure Project
36th to 45th Street
from Gowanus Expressway to 1st Avenue
